

# **SOUTHEASTERN ORTHOPEDIC CENTER & ORTHOPEDIC SURGERY CENTER**

## **MISSION STATEMENT AND OBJECTIVES**

### **Mission Statement**

To provide our patients with the best quality orthopedic/ surgical care with convenience, cooperation, efficiency, and cost effectiveness in a comfortable and pleasant environment. It is our intention that the energy spent in excellent operations of this center will reap benefits to our patients, staff, physicians and region far greater than our individual efforts would produce.

**Goal:** Provide state-of-the-art care by maintaining quality standards at affordable costs.

### **Objectives**

1. To render a wide range of orthopedic/ surgical services and pain management.
2. To select qualified individuals of high caliber that will continuously strive toward professional excellence.
3. To maintain high standards of quality patient care, incorporating the National Patient Safety Goals in that care.
4. To maintain and enhance employee productivity standards.
5. To insure integrity, corporate responsibility, and ethical behavior in all we do.
6. To provide physical and emotional support to patients and their families.
